working spaces

ABOUT US

MetroMax Design and Development Limited, a leading name in innovative and sustainable construction and real estate development. We believe that every property holds the potential to surpass the ordinary. We specialize in creating exceptional living and working spaces that are not only aesthetically pleasing but also embody the pinnacle of luxury and sustainability. Our commitment to excellence has consistently placed us at the forefront of transforming visions into tangible realities.

MESSAGE FROM THE MANAGING DIRECTOR

A Vision of Transformative Development and Enduring Value

Welcome to MetroMax Design and Development Limited. As the Managing Director, it's my privilege to lead a team that is fervently dedicated to reshaping the landscape of construction and real estate development. Our ethos centers around delivering projects that are not just architecturally profound but also serve as benchmarks in operational excellence and strategic asset stewardship.

We take pride in our meticulous approach to managing each venture, ensuring that every aspect of construction is carried out with the utmost precision and innovation. Our commitment extends beyond mere construction; we focus on creating enduring assets that stand as testimonies to our dedication and expertise. It is this commitment that propels us forward, as we continue to contribute to the creation of vibrant communities and sustainable futures.

Warm regards,

Md. Shamsul Arefin
Managing Director
Metromax Design and Development Limited

MESSAGE FROM THE DIRECTOR OF FINANCE

Commitment to Financial Integrity and Client Confidence

Greetings.

In my role as the Director of Finance at MetroMax Design and Development Limited, my primary focus is on the financial integrity and the assurance of value in each of our projects. We understand the importance of not just fulfilling but exceeding the expectations of our clients and investors in every endeavor.

Our financial strategy is crafted to ensure seamless project execution, aligning with our commitment to deliver each project with the highest standards of quality and within the stipulated time frame. This approach is the cornerstone of our financial philosophy, ensuring that every investment entrusted to us is managed with the utmost responsibility and foresight. We stand firm in our promise to maintain financial resilience and reliability, fostering enduring relationships based on trust and mutual success.

Best regards,

Mizanur Rahman
Director, Finance
Metromax Design and Development Limited

AN ENDURING LEGACY OF EXCELLENCE: TRANSFORMING LANDSCAPES, ENRICHING LIVES

At Metromax Design & Development Limited, we share a conviction that every property holds the promise to surpass the ordinary and transform into a genuine masterpiece. Each project we undertake is not merely a task but a significant opportunity to redefine surroundings and enrich lives. Our resolute dedication to shaping spaces that spark inspiration, encourage innovation, and elevate experiences is fortified by an unwavering moral foundation.

OUR MISSION

We want to change how we live by making special and creative buildings that last a really long time. We're the first ones doing this and we're focused on building neighborhoods that not only improve how people live but also make new and exciting ways to enjoy really nice living.

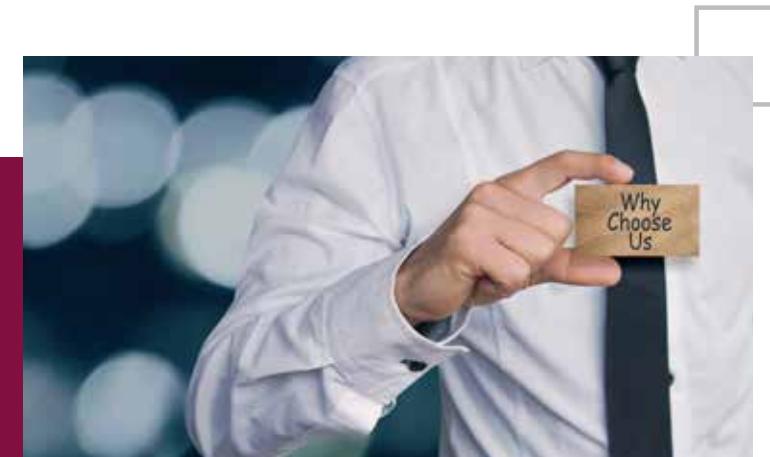

OUR VISION

Our vision at MetroMax is to set the benchmark in crafting spaces that are innovative, sustainable, and visually stunning. We are dedicated to meeting the practical needs of our clients while enriching their lives through our unique designs. Our goal is to continually push the boundaries of what's possible in the construction and real estate industry, delivering superior value to our customers and positively impacting the communities we serve.

WHY CHOOSE METROMAX

■ CUSTOMER-CENTRIC APPROACH:

We prioritize understanding and fulfilling your unique requirements, ensuring each project reflects your vision.

■ SUSTAINABLE PRACTICES:

Our dedication to sustainability is evident in every project, as we incorporate eco-friendly materials and energy-efficient designs.

■ UNMATCHED QUALITY:

We are committed to using only the finest materials and cutting-edge technologies, ensuring each development stands the test of time.

OUR EXPERTISE

Our company boasts a dedicated team of professionals with extensive experience in architecture, engineering, project management and real estate development. We specialize in designing and building a diverse range of projects, including residential complexes, commercial spaces, and mixed-use developments. Our commitment to quality and attention to detail are reflected in every project we undertake.

PROJECT MANAGEMENT

At MetroMax, our expert team offers tailored guidance and support through strategic consultancy ensuring success in residential, commercial and industrial projects. With extensive experience in real estate development, planning, financing, construction, contracting, sales and marketing. We guarantee seamless execution and exceptional results.

ENGINEERING & CONSTRUCTION

Specializing in comprehensive services that cover engineering, design, construction, commissioning and start-up, we at Metromax excel in a range of projects from residential and commercial buildings to luxury villas and hospitality ventures. Our civil team sets new benchmarks in quality, value, timeliness and cost efficiency, delivering world-class engineering projects within challenging timeframes.

ASSET MANAGEMENT

Our innovative investment solutions cater to the evolving needs of our clients, offering education, guidance, and support for maximized profits. By introducing technologically-enabled products and services, we position ourselves as early-stage disruptors, curating a portfolio that emphasizes success, growth potential and innovative disruption.

CUSTOMER-CENTRIC APPROACH

Our clients are our priority. We offer personalized solutions that meet their aspirations, aiming to exceed expectations and deliver properties that enhance their quality of life.

COMMUNITY ENGAGEMENT

MetroMax Design & Development Limited actively engages with the communities we serve, striving to build inclusive and thriving communities through social responsibility initiatives.

The collage consists of three main images. The top left image shows four people's hands stacked together in a circle, symbolizing teamwork and collaboration. The top right image is a white square with a thin orange border, representing a placeholder or a blank area. The bottom image is a dark red rectangle containing white text, featuring a section titled 'COMMITMENT TO SUSTAINABILITY' and a descriptive paragraph about MetroMax's eco-friendly practices.

COMMITMENT TO SUSTAINABILITY

MetroMax is committed to eco-friendly construction practices. We focus on reducing our carbon footprint and ensuring minimal environmental impact by incorporating energy-efficient technologies and green building materials.

INVESTOR INFORMATION

We invite institutions, corporate investors, and high-net-worth individuals to join us in building sustainable, thriving communities. Our projects deliver enduring value, aligning your financial goals with our vision for a brighter future.
